Gen. Martin briefed on MN technologies

EGLIN AIR FORCE BASE, Fla. — 2nd Lt. Oluyomi Faminu is shown briefing Gen. Gregory Martin, AFMC/CC about a spin-off of the Micro Air Vehicle program known as “BAT-CAM” (Battlefield Air Targeting-Camera Autonomous Micro air vehicle). BAT-CAM is being developed at Eglin’s Air Force Research Laboratory Munitions Directorate for ground force reconnaissance. (Air Force photo by Greg Murry, DynCorp)
